"I fell asleep standing up, eventually â€¦ I was just putting another cassette back on the shelf, and I was feeling great, and I turned 'round and fell asleep. I fell against the edge of the speaker.â€ Guitarist Keith Richards of the Rolling Stones arrives at Marlborough Street Court, London with girlfriend Anita Pallenberg, 27th June 1973. The pair are charged with possession of cannabis.â€ The Stones were in top form on their legendary 1975 Tour of the Americas, and for a good reason: "[It] was fueled by Merck cocaine," Richards wrote in his memoir, referring to the ultrapure pharmaceutically manufactured form of the drug. "It was when we initiated the building of hideaways behind the speakers on the stage so that we could have lines between songs. Rare and Intimate Pictures of the Rolling Stones. The Stones expect former guitarist Mick Taylor (who quit in 1974) and founding bassist Bill Wyman (gone since â€™93) to come on board for the four shows, but only as guests on a few songs. Richards emphasizes that longtime touring bassist Darryl Jones isnâ€™t going anywhere. â€œDarryl doesnâ€™t get enough recognition,â€ says Richards. â€œHe and Bill can talk about songs they want to step in and out of.â€ The Stones are bracing themselves to be asked yet again if this could be the last time. But even if it was, theyâ€™d never tell you. â€œThatâ€™s not a card, in my opinion, that should be played,â€ says Jagger, who says heâ€™d like to record another Stones album eventually. â€œI know lots of people do play that card, but it nearly always backfires on them.â€

How Fall Out Boy Beat the Odds and Rose Again. â€“I was in such a haze of selfishness and pills, it was hard to believe I could feel anything,â€ says Pete Wentz. By. Andy Greene.â€

Concert tickets are selling like crazy, and theyâ€™re even moving back to arenas. Fall Out Boyâ€™s new album, Save Rock and Roll â€“ featuring guest appearances by Elton John, Courtney Love and Big Sean â€“ hit stores on Tuesday and is the second best-selling album in the iTunes music store. â€œThe world moves so fast that we didnâ€™t know if people would care,â€ says Pete Wentz.

It concludes that Rolling Stone's pivotal decision to get involved into covering political issues back in the 1970s reflects a growing rapprochement between the entertainment industry and politics in the United States.Â Gone Crazy and Back Again. On October 20,1973, Mick Ronson played with David Bowie on stage for the last time in that decade. Only 200 people saw the appearance in the flesh, shot for NBC's The Midnight Special.Â He was the bloke who went back to Hull in January 1970 with the brief to find Ronson and bring him to London. He found Mick marking out the lines on the municipal football pitch.Â Cambridge did as instructed and the pair were introduced at the Marquee club, where Bowie was playing on February 3, 1970.Â Back at the Bitter End, Hunter recalls "the whole place going insane cos Dylan was singing with Neuwirth and Rambling Jack Elliott. And Neuwirth clocks Mick and says to Dylan: "Go and ask him."Â In Ronson's version, "Neuwirth] was with this guy," he later recalled. Wenner, Jann.
