**ACADEMIC PREPARATION**

---

1987 - University of Michigan, School of Information and Library Studies. **MILS** from the University Library Associates extended degree program. Specializations in *Library Automation and Health Sciences Librarianship*.

1979 - Iowa State University. **Bachelor of Science** in *Psychology* (Research: localization of perceptual functions in the brain) and *Music* (Theory and Composition).

**EMPLOYMENT**

---

2008-present: *Emerging Technologies Librarian*. University of Michigan Health Sciences Libraries.

1998-2008: *Head*. University of Michigan Dentistry Library.

1987-1998: *Media Librarian*. Northwestern University, Galter Health Sciences Library, Barnes Learning Resources Center.

1985-1987: *University Library Associate*. University of Michigan, Engineering Libraries, Reference Department.

1983-1985: *Library Assistant II*. Iowa State University Library, Technical Services, Monographs Department, Approvals/Continuations/Gifts Section.

1982-1983: *Library Assistant I*. Iowa State University Library, Technical Services, Monographs Department, Approvals/Continuations/Gifts Section.

1979-1982: *Clerk II*. Iowa State University Library, Technical Services, Monographs Department, Search/Cataloging Section.

**SCHOLARLY AND CREATIVE WORK**

---

## **Books and Book Chapters**

**Anderson PF**, Allee N. 2004. *The Medical Library Association Encyclopedic Guide to Health Information on the Web*. NY: Neal-Schumann, 2004.  
<<http://www.mlaguidetohealth.org/>>

**Anderson PF**, Allee N. 2000. The Quality Connection: Health Information Megasites and Search Engines. In: *Guide to Health Care on the Internet*, Chapter 12: Ensuring the Quality of Health Care Information on the Net. Faulkner & Gray, 2000, 159-188.

Lee, Theresa S., ed.; **Anderson, PF**; Bean, Margaret; Harper, Kenneth James; Hernandez, Josephine; and Root, Trudie. *Selective guide to literature on nuclear engineering*, 2nd edition. New York: American Society for Engineering Education, Engineering Libraries Division, 1992.

Lee, Theresa S., ed.; **Anderson, PF**; Bean, Margaret; Harper, Kenneth James; Hernandez, Josephine; and Root, Trudie. *Selective guide to literature on nuclear engineering*. New York: American Society for Engineering Education, Engineering Libraries Division, 1987.

## **Publications**

**Anderson PF**, Stephens M. Wolverine Island. *Educause Review* September/October 2008 43(5): online supplement.  
<<http://connect.educause.edu/Library/EDUCAUSE+Review/WolverineIsland/47233>>

Torabinejad M, **Anderson P**, Bader J, Brown LJ, Chen LH, Goodacre CJ, Kattadiyil MT, Kutsenko D, Lozada J, Patel R, Petersen F, Puterman I, White SN. 2007. Outcomes of root canal treatment and restoration, implant-supported single crowns, fixed partial dentures, and extraction without replacement: a systematic review. *Journal of Prosthetic Dentistry* 2007 Oct;98(4):285-311.

**Anderson PF**, Brittain S, Kaufman J, Zwetchkenbaum SR, Murdoch-Kinch CA. 2007. Rapid Development of a Craniofacial Consumer Health Web Site: Part Two, Content, Coding, Interface and More. *Journal of Consumer Health on the Internet* 2007 11(3):47-73.

**Anderson PF**, Wilson B. 2007. Rapid Development of a Craniofacial Consumer Health Web Site: Part One, What Happens Before Content and Coding. *Journal of Consumer Health on the Internet* 2007 11(2): 13-31.

Peters MC, Kanjirath PP, Sung W, Williams H, **Anderson PF**. 2004. Interventions for treatment of cold sores (Herpes labialis); Interventions for prevention of cold sores. (Cochrane systematic review methodology). **Winner: ICEBD/IADR Systematic Review Prize, 2<sup>nd</sup> Place.**

**Anderson PF**. 2002. How reputation, information, audience, and access affect medical

Web sites. *Internet Healthcare Strategies*, October 2002.

Horowitz AM, **Anderson PF**. 2001. Methods Employed for Other Systematic Reviews in the Consensus Development Conference. Presented at the NIH Consensus Development Conference on Diagnosis and Management of Dental Caries Throughout Life. *Journal of Dental Education* 65(10) Oct 2001: 969-971.

**Anderson PF**. 2001. Search Strategies for Independent Reviewers: Appendix 1. *Journal of Dental Education* 65(10) Oct 2001: 1169-1179.

Lennon AM, **Anderson PF**, McDonald JL, Stookey GK. 2001. Problem-Based Learning and the Dental School Library. Presented at American Dental Education Association (ADEA), Annual Meeting, Chicago. *Journal of Dental Education* 65(11) Nov 2001: 1219-1224.

**Anderson, PF**. 2001. Search engine decision tree. Medicine on the Net 2001 January 7(1): 5. <<http://www.corhealth.com/motn/MOTNHome4.asp>>; <<http://www.umich.edu/~pfa/pro/articles/dtree4.pdf>>

**Anderson PF**. HealthTech Column: Universal Access to the Web: Issues Involving Technology. *Health Care on the Internet* 2(2/3) 1998: 153-158..

**Anderson PF**. HealthTech Column: Internet Cookies, How Edible Are They?. *Health Care on the Internet* 2(1), 1998: 91-98.

**Anderson PF**. HealthTech Column: Getting Started on the Web. *Health Care on the Internet* 1(1), 1997, pp. 96.

**Anderson PF**. HealthTech Column: Netscape Navigator. *Health Care on the Internet* 1(1), 1997, pp. 91-95, 97.

Redman, Patricia M., Kelly, Julia A.; Albright, Eric D.; **Anderson, PF**; Mulder, Craig; Schnell, Eric. Common Ground: The HealthWeb Project as a Model for Internet Collaboration. *Bulletin of the Medical Library Association* 85(4) 1997:325-30.

**Anderson P**. Name That Computer: Three Lessons, A Very Short Essay. *Wilson Library Bulletin* April 1995 69(8):51.

**Anderson PF**. Expert systems, expertise, and the library and information professions. *Library and Information Science Research*, 10(4), 1989, pp. 367-388.

**Anderson PF**. Providing information for the clinical decision maker: the role of the health sciences information center. Winner of the **1989 MLA Rittenhouse Award**.

**Anderson PF**. Analogy in biological and electronic neural nets: 'Some intricate web of trials'. Presented at ASIS, Ann Arbor, 1988.

**Anderson PF.** Artificial intelligence and libraries" Winner of the **1987 Wallace H. Bonk Award**, University of Michigan, School of Information and Library Studies.

**Anderson PF.** Copyright and the future of information access. *Musings*, Spring 1987. Winner of the **Beta Phi Mu 1987 Essay Award** (Mu Chapter).

**Anderson PF.** Artificial intelligence and libraries" Winner of the **1987 Wallace H. Bonk Award**, University of Michigan, School of Information and Library Studies.

**Anderson PF.** Technological and non-technological gatekeepers: an overview of the literature. Winner of the **1986 ASIS National Student Paper Award**.

### ***Grant Activities***

2008-2009. Delta Dental. Quarterly Literature Reviews: Interrelationships Between Oral and Systemic Health. PI: George W. Taylor. Role: Team member, evidence-based searching.

2008. USC Annenberg/Network Culture Project. Ability Commons (Second Life): Supporting support groups for small communities. PI: Gentle Heron. Role: Consultant, support.

2007-2008. NIH/NIDCR: Healthy Teeth and Happy Smiles. PI: Marita Inglehart. <<http://www.dent.umich.edu/teachoralhealth/parents/>> Role: Consultant: internet searching, RSS feeds, social technologies.

2006-2007. NIH/NIDCR: Teaching Kids Health Smiles. PI: Marita Inglehart. <<http://www.dent.umich.edu/teachoralhealth/>>. Role: Consultant: Internet searching, RSS feeds, social technologies.

2005-2007. NIH: Genetics Education in Dentistry Simulator. PI: Lynn Johnson. <<http://www.dent.umich.edu/health/genetics/main/index.php>>. Role: Team member, literature searching.

2005-2007. NIH: Research Education in Dentistry Simulator. PI: Marilyn Lantz. <<http://www.dent.umich.edu/health/researcheducation/main/index.php>>. Role: Team member, literature searching.

2005-2007. NLM & AMIA: Dental Informatics Online Community, Project Team, 2005-2007. PI: Heiko Spallek. <<http://dentalinformatics.com/>>. Role: Consultant, social technologies.

2002-2003. NIH/NIDCR: Working Conference on Dental Informatics and Dental Research, Program Planning Committee. PI: Titus Schleyer. <<http://www.dentalinformatics.com/conference/>>. Role: Team member, literature searching.

2000-2001. NIH/NIDCR: Consensus Development Conference on the Diagnosis and Management of Dental Caries Throughout Life. PI: Alice Horowitz. Role: Team member, evidence-based searching.

### ***Invited Speaker***

2008. *Medical Library Association, Dental Section* — Invited speaker: “Web 2.0 for Professional and Clinical Productivity,” with David Rothman. Annual Meeting, May 15, 2008.

2008. *American Dentistry Association* — Invited speaker: “Using Web-based Resources in Clinical Practice.” (Day-long workshop with Heiko Spallek and Lynn Johnson.) Annual Meeting, September 29, 2008.

2007. *Center for Research on Learning and Teaching* — Invited speaker: “Delicious and Social Bookmarking for Personal and Professional Productivity.” July 2007.

2006. *Michigan District Medical Libraries Group (MDMLG)* — Invited speaker: “Emerging technologies in an academic health sciences library: Social bookmarking, folksonomies, wikis, blogs, podcasting ... “ September 7, 2006.

1999. *Dental Hygiene Study Club* — Invited speaker: “Medical and Health Resources on the Internet.” June 10, 1999.

1999. *Broward General Medical Center, Fort Lauderdale, Florida* — Invited speaker: “Medical and Health Resources on the Internet.” May 6, 1999.

### ***Contributed Papers, Presentations and Posters***

Perryman C (Carolina Keats), **Anderson PF** (Perplexity Peccable). 2008. HealthInfo Island, Health Edul Island and SLHealthy. *Stepping into Health*. Presentation in Second Life on October 7, 2008.

Grayden S, Reynolds PA, **Anderson P**, Bayne S, Fitzgerald M. 2008. Second Life as a virtual world for research and training. *J Dent Res* 2008; 87(Spec Iss B CD-ROM): Abstract 0098.

**Anderson PF**. 2008. Second Life Virtual Health. Presented at *Virtual Reality in Health*, sponsored by the Health Sciences Libraries. June 19, 2008.

**Anderson PF**, Mayman G, Perorazio A, Blumenthal J. 2008. Whatcha Gonna Do?: An Academic Health Sciences Library in Second Life Embraces New Roles. Presented at *Virtual Worlds Libraries, Education & Museums*, Second Life, March 8, 2008.

Mayman G, Townsend W, Song J, MacEachern M, Blumenthal J, **Anderson PF**. Ask an Avatar Providing Services in Second Life. Presented at the *Medical Library*

*Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Dobbs A, Copeland JD. 2008. Challenges of Discovery: Consumer Health Resources in Second Life and Use of a Wiki for Indexing and Community Building. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Brittain S, Meyer SR. 2008. Efficiencies of Scale and Empowerment: Consumer Health Website Design Using Social Technologies. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Grayden S, Stephens MR, Mayman G, Perorazio A, MacEachern MP, Blumenthal J. 2008. Second Life for Engagement, Outreach, and Building Interdisciplinary Communities of Learning. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Rothman D. 2008. Social Technologies for Professional and Clinical Productivity (Invited Speakers). *Invited Speakers*. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

Anderson J, Patterson A, Temple H, **Anderson P**, Inglehart M. 2008. LGBT Issues in Dental School Environments: "Student Leaders' Perceptions of Educational Efforts and Climate." Presented at the *American Dental Education Association (ADEA), Annual Meeting*, March 2008. Winner, ADEA Student Poster Award Competition. <[http://www.dent.umich.edu/about/aboutschool/news/news2008/adea\\_award\\_winners.html](http://www.dent.umich.edu/about/aboutschool/news/news2008/adea_award_winners.html)>

### Contributed Presentations in Second Life

Perryman C (Carolina Keats), **Anderson PF** (Perplexity Peccable). HealthInfo Island, Health Eduland and SLHealthy. *Stepping into Health*, October 7, 2008.

**Anderson PF** (Perplexity Peccable), Dobbs A (Skaidrite Norse). SLHealthy: A Community-Generated Wiki Index to Health in Second Life. *Slang Health Event*. February 9, 2008.

**Anderson PF** (Perplexity Peccable), Mayman G (Gillian Oh), Perorazio A (Kaiya Qunhua), Blumenthal J (Wrenaissance Jewell). Whatcha Gonna Do?: An Academic Health Sciences Library Embraces New Roles. *Virtual Worlds – Libraries, Education, and Museums* March 8, 2008.

### Papers and Presentations about Second Life

**Anderson PF**, Stephens M. Wolverine Island. *Educause Review* September/October 2008 43(5): online supplement.

<<http://connect.educause.edu/Library/EDUCAUSE+Review/WolverineIsland/47233>>

Grayden S, Reynolds PA, **Anderson P**, Bayne S, Fitzgerald M. 2008. Second Life as a virtual world for research and training. *J Dent Res* 2008; 87(Spec Iss B CD-ROM): Abstract 0098.

**Anderson PF**. 2008. Second Life Virtual Health. Presented at *Virtual Reality in Health*, sponsored by the Health Sciences Libraries. June 19, 2008.

Mayman G, Townsend W, Song J, MacEachern M, Blumenthal J, **Anderson PF**. Ask an Avatar Providing Services in Second Life. Presented at the *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Dobbs A, Copeland JD. 2008. Challenges of Discovery: Consumer Health Resources in Second Life and Use of a Wiki for Indexing and Community Building. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Grayden S, Stephens MR, Mayman G, Perorazio A, MacEachern MP, Blumenthal J. 2008. Second Life for Engagement, Outreach, and Building Interdisciplinary Communities of Learning. Presented at *Medical Library Association Annual Meeting*, Chicago, May 2008.

**Anderson PF**, Mayman G, Perorazio A, Blumenthal J. 2008. Whatcha Gonna Do?: An Academic Health Sciences Library in Second Life Embraces New Roles. Presented at *Virtual Worlds Libraries, Education & Museums*, Second Life, March 8, 2008.

### **UM Classes and Workshops About Second Life**

**Anderson PF**. June 25, 2008. Second Life Teacher's Toolkit.

**Anderson PF**, Stephens M. May 9, 2008. Second Life Teacher's Toolkit.

Stephens M, **Anderson PF**. May 8, 2008. Second Life Safari.

**Anderson PF**, Stephens M. May 6, 2008. Why Second Life?

**Anderson PF**. January 27, 2008. Basic Clothing Design in Second Life.

Grayden S, **Anderson PF**. October 26, 2007. Second Life, pt. 2.

**Anderson PF**, Grayden S. October 19, 2007. Second Life, part 1.

Grayden S, **Anderson PF**. June 11, 2007; June 13, 2007. Getting Started in Second Life.

**Anderson PF**, Grayden S. June 27, 2007; June 29, 2007. Why Work & Teach in Second Life.

### **Wolverine Kickoff Event**

- Preparations: Planning, marketing, poster design, press release
- Presentations

- Ted Hanss: Welcome
- Marc Stephens: Demonstration
- PF Anderson: Essentials
- Gus Rosania, School of Pharmacy: A Real Life Research Tool in Second Life: PrimPlotter. <<http://www.slideshare.net/umhealthscienceslibraries/a-real-life-research-tool-in-second-life-primplotter-presentation/>>
- Bruce Maxim, University of Michigan-Dearborn: Campus of Hope, Using the Virtual World to Improve Our World <<http://www.slideshare.net/umhealthscienceslibraries/campus-of-hope-using-the-virtual-world-to-improve-our-world-presentation/>>
- Sheri Jaffurs, University of Michigan-Flint: Music Making in the Cyber World: New Models of Education (SIMphonic Island, Wolverine Island) <<http://www.slideshare.net/umhealthscienceslibraries/music-making-in-the-cyber-world-new-models-of-education-symphonic-island-wolverine-island-presentation/>>
- JJ Jacobsen, School of Information Alumnus: The Alexandrian Free Library, A Study in Virtual Community <<http://www.slideshare.net/umhealthscienceslibraries/the-alexandrian-free-library-presentation/>>
- Shannon Murphy, LSA-Astronomy: The Universe - Yours to Discover: Astronomy Theme Semester in Second Life <<http://www.slideshare.net/umhealthscienceslibraries/the-universe-yours-to-discover-astronomy-theme-semester-in-second-life-presentation/>>
- Reception in Real Life: Catering, tables, demonstrations.
- Reception in Second Life: Welcome, Q&A, self-guided tours
- Party in Second Life. Activities, UM Trivia game created and built, dancing, catering. Attendance: 45.
- Docent Tour in Second Life. Attendance: 14.
- Scavenger Hunt in Second Life: 30 locations, new content for 10 locations, 30 games, 30 prizes, 75 UM football tshirts designed and created.

## Events Hosted In Second Life

### *Healthcare Education Events*

November 18, 2008 – **Professor Beliveau**: Second Life Research and Real Life IRB Approval. Attendance: ~35.

September 26, 2008 – **Pathfinder Linden**: Overview and Discussion of Second Life for Healthcare Education / Grand Opening of the Healthcare Education space on Health Eduisland. Attendance: ~45.

### *SLUM Brown Bag Events*

December 7, 2007 – Discussion - Inaugural Meeting

December 14, 2007 – Discussion - Structure for Brown Bag Events

January 11, 2008 – Making Basic Clothes

January 18, 2008 – Discussion - Research in Second Life

January 25, 2008 – Tour of Genome Island

January 26, 2008 – Swapmeet / Teaching & Research Discussion

February 8, 2008 – Tour of Infoland International

February 22, 2008 – Presentation - JJ Drinkwater

March 7, 2008 – Swapmeet - Favorite Educational Locations in SL

March 14, 2008 – Presentation - Lexi Peccable recaps VLEM presentation  
("Whatcha Gonna Do, An Academic Health Sciences Library In SL ...")

March 21, 2008 – Joop Zuhai on Pros and Cons of Teaching in Second Life (Sea Turtle Island)

March 28, 2008 – Tour of Hell (Dante's Inferno)

April 4, 2008 – Desideria Stockton on Design Choices in Building SL Educational Spaces

April 11, 2008 – Tour - JS Vavoom, Nursing Education Simulator (NESIM) /  
Advanced Cardiac Life Support

April 18, 2008 – Jennie Levine, "Gaming in Libraries"

April 25, 2008 – Caia Alter, Pharmacy teaching & research in SL

May 02, 2008 – SLUM Survey Results Discussion

May 15, 2008 – Lehnerd Euler, Immersive mathematics education

May 23, 2008 – University of Michigan Dearborn Campus (Rudolfo Woodget &  
Bridget Jennings)

June 6, 2008 – Tintern Abbey (Pipsqueak Fiddlesticks)

June 13, 2008 – Fleep Tuque on Affordances of Education in Second Life

June 20, 2008 – Tab Scott on Teaching Tips for Second Life Faculty

July 18, 2008 – Swapmeet, Landmarks for Teaching and Teachers

July 25, 2008 – Wainbrave Bernal and the SaLamander HUD

August 1, 2008 – Buddy Sprocket on SLoodle

August 8, 2008 – Discussion: Community Planning for Wolverine Kickoff

August 15, 2008 – Buddy Sprocket on SLoodle, Part 2

September 5, 2008 – Discussion: Community Wishlist for Future Events

September 12, 2008 – SL Teachers Toolkit (Perplexity Peccable)

September 26, 2008 – Discussion: Community Planning for Wolverine Kickoff Event

October 3, 2008 – RL/SL Connections: The Great Space Race (Inertial Voom)

October 17, 2008 – Docent Tours of Wolverine Island  
October 24, 2008 – RL/SL Connections: Italian Language and Culture Instruction (Giorgio Massei)  
October 31, 2008 – RL/SL Connections: Halloween / Teaching Literature Through Immersion: Spooky (and Educational) Locations in SL  
November 7, 2008 – RL/SL Connections: US Government in SL  
November 14, 2008 – RL/SL Connections: Audio in SL (Jaime Magueira)  
November 21, 2008 – RL/SL Connections: The Abyss Museum of Ocean Science  
November 28, 2008 – RL/SL Connections: Let's Go Shopping!  
December 4, 2008 – RL/SL Connections: Music Academy

## Exhibits

- Anatomy Through the Ages: pre-Vesalian to 1800. [Content by Barbara Shipman, images and Second Life setup by PF Anderson, in progress]
- Flore Médicale Décrite: Healing Herbs of the 1800s

## Wikis

**EBHCStrategies** (Evidence-Based Health Care Strategies):

<<http://ebhcstrategies.wetpaint.com/>>. Purpose: To gather expert search strategies on common health topics to share with other medical librarians. Created Apr 15 2008, 10:14 PM EDT. Members: 21. Role: Creator, Writer. Personal Contributions: 61.

**SLHealthy**: <<http://slhealthy.wetpaint.com/>>. Purpose: To index and share information about health locations and support groups in Second Life, the 3d online virtual world. Kudos: SLHealthy is promoted by Linden Labs, is listed on the SL Healthcare list homepage as the premiere information source about health in Second Life, and was presented by Linden Labs at the AMIA conference in November 2008. Created Aug 5 2007, 1:58 PM EDT. Members: 138. Writers: 41. Role: Creator, Writer. Personal Contributions: 637.

**SLUM** (Second Life at the University of Michigan): <<http://slum.wetpaint.com/>>. Purpose: To provide a shared information and community discussion space for members of the University of Michigan community in Second Life, including faculty, staff, students and alumni. Created Feb 22 2008, 11:53 PM EST. Members: 32. Role: Creator, Writer. Personal Contributions: 190.

## INSTRUCTION

---

### Graduate Instruction

2007-2008. CLN 600. Clinical Foundations of Medicine. Medical student elective on clinical training applications of virtual worlds. Course director: Marc Stephens. Role: Team member.

2008. DHYG. Distance learning program orientation. Course director: Anne Gwozdek. Role: Guest lecturer on information and internet skills.

2007-2008. CDEN 815. Professional and clinical information skills beyond UM. (Credit-based elective course for senior dental students on clinical information skills in private practice.) Course director: Patricia Anderson. Role: Course director. <<http://www-personal.umich.edu/~pfa/pro/courses/d4info07.html>>

2007. M2 Elective #260. Web 2.0, Google and Advanced Searching: Skills for the Successful Clinician in the Information Age. Course director: Gurpreet Rana. Role: Team member, Lecture on Google.

2002. SI 503. Introduction to searching. Course directors: Bhavnani & Radev. Role:

Guest lecturer on medical information searching tools and methodologies.  
<<http://www-personal.umich.edu/~pfa/pro/courses/SI503/>>

2002. DENT 501. Introduction to the profession [of dentistry]. Course director: Marilyn Lantz. Role: Guest lecturer on Jonathan Taft and his influence in the evolution of dental professional ethics.

1999-2008. DENT 506. Course title. Course director: Sharon Brooks. Role. Guest lecturer on medical information searching tools and skills for clinical practice.

1998-2008. CORE 610. Research skills for graduate students. Course director: Dennis Lopatin (1998-2000); Robert Feigal (2001-2003); Rex Holland (2004-2008). Role. Guest lecturer on evidence based searching tools and methodologies. <<http://www-personal.umich.edu/~pfa/pro/courses/610.html>>

1998-2007. DHYG 446. Course title. Course director: Kari Gould (1998-2002), Susan Hipolyte-Taichman (2003-2007). Role. Guest lecturer on information searching tools and skills for research and clinical practice.

1998-2001. CDEN 815. Dental informatics. Course director: Scott Pelok. Role. Guest lecturer on information management and the history of the internet.  
<<http://www-personal.umich.edu/~pfa/pro/courses/815.html>>

1996. Guest lecturer in graduate clinical psychology courses on the subjects of cognitive science and alternative medicine.

1987. Developed conceptual framework for information technology instruction focusing on the role of information problem solving in the professional lifecycle. Incorporated into CAI software, implemented and evaluated.

### **Accredited Continuing Education**

2007. American Dental Association. Workshop: "Using Web-based Resources in Clinical Practice."

2008. The Charisma of Online Clinical Information – Medline and More. March 14, 2008. Continuing dental education (CDE) for practicing clinicians on information searching skills. Invited instructor.

2008. Web searching power for practicing dentists. March 14, 2008. Continuing dental education (CDE) for practicing clinicians on Internet skills. Invited instructor.

2007. Web searching power for practicing dentists. April 27, 2007. Continuing dental education (CDE) for practicing clinicians on Internet skills. Invited instructor.

2007. The Charisma of Online Clinical Information – Medline and More. March 23,

2007. Continuing dental education (CDE) for practicing clinicians on information searching skills. Invited instructor.

2007. Web searching power for practicing dentists. March 23, 2007. Continuing dental education (CDE) for practicing clinicians on Internet skills. Invited instructor.

2006. The Charisma of Online Clinical Information – Medline and More. October 20, 2006. Continuing dental education (CDE) for practicing clinicians on information searching skills. Invited instructor.

2006. Web searching power for practicing dentists. November 3, 2006. Continuing dental education (CDE) for practicing clinicians on Internet skills. Invited instructor.

1999. Broward General Medical Center, Fort Lauderdale, Florida — Invited speaker: “Medical and Health Resources on the Internet.” May 6, 1999. Approved for 2 CE Credits.

### ***Instructional Tools and Resources***

2006-2007. MEMORABLE: A MEDLINE Search Strategy Development Tool. <<http://www-personal.umich.edu/~pfa/pro/courses/memorable.html>>

2006. Chain of Trust / Levels of Evidence tool for assessing quality of Online information. <<http://www-personal.umich.edu/~pfa/pro/courses/ChainOfTrustLoEVert2.pdf>>

2006. FRIAR/SECT, Clinical version. <<http://www.lib.umich.edu/dentlib/services/gds/FRIARdb.pd>>

2004. FRIAR, Internet. <<http://www-personal.umich.edu/~pfa/mlaguide/free/qr2friar.pdf>>

2004. SECT Form. <<http://www-personal.umich.edu/~pfa/mlaguide/free/qr2sect.pdf>>

2004. Quick Guides to Searching for Health Information. <<http://www-personal.umich.edu/~pfa/mlaguide/free/quickgd.pdf>>

2004. WebEval. <<http://www-personal.umich.edu/~pfa/mlaguide/free/webeval.pdf>>

2001. Web Eval: Evaluation Tool for Clinician-Oriented Web Sites. <<http://www-personal.umich.edu/~pfa/pro/courses/EvalClin.pdf>>

2001. WebEval: Consumer Health Web Site Evaluation Checklist. <<http://www-personal.umich.edu/~pfa/pro/courses/EvalPtEd.pdf>>

2000. FRIAR/SECT, Internet. <<http://www-personal.umich.edu/~pfa/pro/courses/FRIARnet.pdf>>

2000. Search Engine Selection Decision Tree. <<http://www-personal.umich.edu/~pfa/pro/courses/dtree4.pdf>>

1998. FRIAR/SECT. <<http://www.lib.umich.edu/dentlib/services/gds/FRIARdb.pdf>>

## **SERVICE**

---

### **University of Michigan Service**

#### **University Libraries**

Travel Committee: 1998-1999

Library Diversity Committee: 1999-2002 (chair of video subcommittee, arranged monthly presentations with supporting guides; coordinator of Diversity Quilt project)

MLibrary 2.0: member, 2007-present (panel presentations on twitter, blogging and Second Life)

#### **Health Sciences Libraries**

Dentistry Library Advisory Committee: Ad Hoc member, 1998-2008.

HSL Gateway Team: Chair, 2006.

HSL-Info: Member, 2006-present.

HSL Innovations Team: Member, 2006-2007.

HSL Liaison Team Leaders: Member, 2006-present.

HSL Operations Transition Planning Committee: Member, 2006.

HSL Second Life Team: Team Leader, 2006-present.

HSL Web 2.0 Committee: Member, 2007-present.

#### **School of Dentistry**

School of Dentistry Academic and Business Continuity (ABC) Task Force: 2006-2008.

School of Dentistry Accreditation and Self-Assessment Groups, Research and Education Subcommittees, 2006-2007.

School of Dentistry Curriculum Committee, 2006-2008

School of Dentistry Information Technologies Task Force, 1999-2002.

School of Dentistry: LGBTQA Student Alliance. Member 2006-2008

School of Dentistry, Multicultural Affairs Committee, Task Force on Disabilities and Special Needs Populations: 2000-2008.

School of Dentistry, Sindecuse Museum Advisory Board, 2006-2008.

School of Dentistry Task Force for Instructional Computing, 1999-2000.

#### **University of Michigan Health System**

Let's Face It: Advisory Board, Chair, 2006-present

UM Medical School, CCMB-HIRO Health Informatics Interest Group, 2006-present

### **Campus-Wide or Multiple Campus Organizations**

Cool Toys Conversations: Leader, 2008-present.

Lavender Information and Library Association: Board Member 1999-2002. (Coordinated events, developed Coming Out guide, catered anniversary party)

Second Life at the University of Michigan (SLUM): Community Manager, 2007-present.

UM Web Accessibility Group. Member, 2007-present.

### **Professional Memberships**

American Dental Association: Associate member, 2000-2003.

American Society for Information Science (ASIS): Presented paper on neural networks at May 1988 Mid-Year meeting. Taught sessions at ASIS-Chicago Chapter March 1988 workshop on microcomputer skills. 1986-87 President of University of Michigan Student Chapter. *Winner* of 1986 National Student Paper Award.

Association for Computing Machinery (ACM): Member 1987-1992.

Feminist Writers Guild (FWG): Board of Directors, Newsletter Editor, Literary Supplement Editor: 1990-1993.

Health Sciences Communications Association (HeSCA): Secretary for the BLIG special interest group 1992-93, *Newsletter Editor* for 1992-93.

Health Support Coalition (Second Life): Member, 2008-present

Institute for Electrical and Electronics Engineers (IEEE): Member 1987-1992.

International Society for Technology in Education (ISTE): Member 2008-present.

Medical Libraries Association (MLA): *Winner* of 1989 Rittenhouse Award. Coordinate EMTS Centennial Exhibit on the history of media librarianship in the health care environments for MLA 1998. Secretary/Treasurer, Dental Section 2000-2003.

MLA Google Coop Team: Member, 2006-2008.

### **Collaboration**

#### *HealthWeb*

Chair, Design Working Group, 1995 – 2000

Planning Group, 1995-2000

Editor, Dentistry, 1998-2007

#### *Let's Face It*

Chair, Advisory Committee, 2006-present

Web designer, 2006

Editor, "Let's Face It" blog, 2006-present

### **Consulting**

American Association of Endodontists — evidence-based dentistry searcher.

Loma Linda University, School of Dentistry — evidence-based dentistry searcher.

University of California-Los Angeles, School of Dentistry — evidence-based dentistry searcher.

## **Editorial Work**

### Health Care on the Internet

- HealthTech column editor, 1996 – 1999
- Contributing editor, 2000-2002.

### HealthWeb

- Editor, Dentistry, 1998-2007.

### International Journal of Health Geographics - Reviewer

### Journal of Consumer Health on the Internet

- Contributing editor, 2003-present.

### Journal of the American Dental Association (JADA) - Reviewer

### Medicine on the Net

- Advisory Board, 2004-2005
- Medicine on the Net Web Excellence Awards, judge, 2005.

## **Events Hosted**

*Wolverine Kickoff.* 2008. 4 events. Features: 6 presenters, venue, catering (real life and Second Life), signage, marketing, press release, 30-part scavenger hunt (Second Life), 75 virtual tshirt designs as prizes, free Second Life give-aways including UM Trivia game. See section on Second Life under Social Media for additional details. Attendance: ~125.

*Healthcare Education.* 2008. 2 events and 3 community discussion meetings hosted as of December 10, 2008. See section on Second Life under Social Media for details. Attendance total over life of series: ~150.

*SLUM Brownbags.* 2007-present. 39 events hosted personally as of December 10, 2008. 3 additional events in the series hosted by others. See section on Second Life under Social Media for full listing and details. Attendance total over life of series: ~350.

*Let's Face It Grand Opening.* 2006. Wilson, Betsey. Facing Life With a Different Face. October 27, 2006. Features: presenter, introductions, sign language interpreter, accessible venue, catering, video, logo design, signage, marketing, press release, tshirts. Attendance: ~150.

*Reception for new faculty, Dentistry Library.* 2004. Features: catering, reception, handouts, guides. Attendance: 7.

## **Community Service**

A2B3 (Ann Arbor Bi Bim Bop – Regional Technology Network): Member, 2005-present; Moderator, 2008-present.

Adult Choir. Saint Francis of Assisi Catholic Church, Ann Arbor, Michigan. 1998-present.

Health information consultant. Saint Francis of Assisi Catholic Church, Ann Arbor, Michigan. 1999-present.

Origami donations, Mott Children's Hospital, Ann Arbor, Michigan. 2002-present.

Origami workshops. Mitchell Elementary School, Ann Arbor, 2003-2005.

## **AWARDS AND HONORS**

---

### **Awards**

2007 – University of Michigan Staff Recognition, Workplace 2007, Exemplary Team Award, Honorary Mention. June 2007.

2007 – University of Michigan School of Dentistry, Ida Gray Award. January 15, 2007.

2004 - James Neubacher award, honorable mention, University of Michigan Council for Disability Concerns. October 29, 2004.

2004 – ICEBD/IADR Systematic Review Prize, 2<sup>nd</sup> Place

2004 - Harriett L. Steuernagel award, Medical Library Association (MLA), Dental Section. May 25, 2004.

1989 – Rittenhouse Award, Medical Library Association (MLA).

1987 - Wallace H. Bonk award, University Michigan, School of Information and Library Studies.

1987 - Beta Phi Mu Essay award, University of Michigan, School of Information and Library Studies.

1986 – American Society for Information Science (ASIS) National Student Paper Award.

1978 - Pearl Hogrefe Award in Creative Writing, Iowa State University.

### **Who's Who**
