Surrey Research Insight Deposit Agreement

Agreement to deposit your paper and give permission to make it available on open access: please note you are granting **your** permission **not** your publisher's.

Covered Work

I would like to deposit my material in the open access repository of the University of Surrey (Surrey Research Insight Open Access). Research referred to below as "Work" is covered by this agreement and when I deposit my Work in the future, whether personally or through an assistant or other agent, I agree to the following:

Non-exclusive Rights

Rights granted to SRI Open Access through this agreement are entirely non-exclusive. I am free to publish the Work in its present version or future versions elsewhere. I agree that SRI Open Access may, without changing content, translate the Work to any medium or format for the purpose of secure storage.

Deposit in SRI Open Access

I understand that work deposited in SRI Open Access will be accessible to a wide variety of people and institutions - including automated agents - via the World Wide Web.
I understand that once the Work is deposited, a citation to the Work will always remain visible, although the author retains the right to update the Work. Removal of the item can be made after discussion with SRI Open Access.

I agree as follows:

- that I have the authority of the authors to make this agreement, and to hereby give SRI Open Access the right to make available the Work in the way described above;
- that I have exercised reasonable care to ensure that the Work is original, and does not to the best of my knowledge infringe upon anyone's copyright.

Following an overview of the essentials of Archi grammar and an introduction to the remarkable agreement phenomena found in this language, three distinct accounts of the Archi data examine the tractability and predictive power of major syntactic theories: Head-driven Phrase Structure Grammar, Lexical Functional Grammar, and Minimalism. The final chapter compares the problems encountered and the solutions proposed in the different syntactic analyses and outlines the implications of the challenges that the Archi agreement system poses for linguistic theory.
