This is a list of vegetarian and vegan restaurants. Vegetarian cuisine refers to food that meets vegetarian standards by not including meat and animal tissue products. For lacto-ovo vegetarianism (the most common type of vegetarianism in the Western world), eggs and dairy products such as milk and cheese are permitted. For lacto vegetarianism, the earliest known type of vegetarianism (recorded in India), dairy products such as milk and cheese are permitted. The strictest forms of vegetarianism are Vegan Restaurants Recap: Which Wins Top Honors? Why am I infatuated with vegan restaurants? Well, one of my deepest passions in life is travel, and coupled with my other loves of good food and veganism, it's a perfect match. There's absolutely nothing in the world like stepping out of your comfort zone in a new city or country and experiencing the real culture of a place you don't yet understand.
