But the silences that pervaded the segregated South were more valuable by far than any precious metal. In the Jim Crow South, it was silences that first constructed and then protected the central myths of white supremacy, those intertwined fictions of natural race hierarchy and endangered white womanhood that formed the shaky foundation for an entire "way of life." In a creative and convincing new book, Tammy Evans examines the rhetorical power of southern silences in the production of public memory.Â Review of Evans, Tammy, *The Silencing of Ruby McCollum: Race, Class, and Gender in the South*. H-SAWH, H-Net Reviews. July, 2008.
