But the presence of blacks in American history is very significant, from the Revolutionary War to Vietnam. And we have every right to protest, advocate and claim that which belongs to us." "Claiming" and documenting history is not limited to publishing a book, says Vincent, who adds: "The preservation of the physical is as important as the written history. Black people need to be able to touch and see their history, which we literally walk past in our communities every day." The institute did not always have its current name, although its primary objective never drastically changed. It started in the late 1960s when Vincent DeForrest was working with the Southern Christian Leadership Conference (SCLC) under the direction of Dr. Martin Luther King Jr. A National Historic Landmark (NHL) is a building, district, object, site, or structure that is officially recognized by the United States government for its outstanding historical significance. Only some 2,500 of over 90,000 places (~3%) listed on the country's National Register of Historic Places, are recognized as National Historic Landmarks.
