Statutory interpretation in its broadest sense is the process of determining the true meaning of a written document. The Interpretation Act 1978 provides limited scope to assist judges with statutory interpretation in that it only provides standard definitions to common provisions such as a rebuttable presumption that terminology in the masculine gender also include the feminine, and that the singular includes plural.Â In contrast, civil law is based upon provisions of codes and statutes, from which solutions to particular cases are to be derived. Common law courts use the adversarial system, in which two sides present their cases to a neutral judge.

Statutory Interpretation Lecture. Notes from Smith & Bailey on the Modern English Legal System, Third edition 1996, p351-403; cases in Jacqueline Martin, The English Legal System, chapter 3. INTRODUCTION.
