The Joy Of Knitting book. Read 14 reviews from the world's largest community for readers. The craft of knitting continues to thrive, both as a way to pro...  
It provides a complete global overview, from the politics of knitting as economic opportunity in undeveloped areas to the communal pleasures of Internet knitting circles to the inspiring beauty of ethnic motif in mittens, scarves, socks, and other items. Lisa Myers profiles influential designers, celebrates the joys of knitting in solitude and the tactile pleasures of yarn, and provides patterns for projects including a Log Cabin Pillow, an "intellectually challenging" three-dimensional hat, a Mobius scarf, and even a Palm Pilot cover. Novice and experienced knitters alike should immediately add "The Joy of Knitting" to their bookshelves! "Joy" is not a pattern book, although it does contain patterns at the end of each chapter, but rather a compilation of observations (many humorous), anecdotes, advice and tips on nearly every subject that a knitter needs to know: different fibers, use of color in knitting, knitting gifts for others, how to begin designing your own patterns, a brief history of knitting, and...  
Her explanation of the seductive qualities of yarn-buying will make anyone with a yarn stash chuckle knowingly, and the book is full of similarly pithy observations. Her excellent advice about the technical aspects of knitting, interspersed throughout, makes me wish I The Joy of Knitting is Franklin's boutique yarn shop and home away from home. A place to find fine...
