Scullard First Edition Roman Britain Latin: Britannia or, later, Britanniae, the Britains was the areas of the island of Great Britain that were governed by the Roman Empire, from. at Newstead was maintained along with seven smaller outposts until at least 180.

H.H. Scullard's "Roman Britain" is ideal for anyone with a strong interest on this historical period. For me, it served as a satisfying introduction. Also, because of its contents and the way it is organized, serious students can use this book as a good reference on many of the topics surrounding the history of Roman Britain. The author skillfully blends a wide range of topics to comprehensively cover the subject. Along with the history of Rome's initial invasions, conquests, and eventual collapse in Britain, I especially enjoyed the explanations of the various architecture
